Comments from a few of Our Satisfied Customers...

Acrolab is committed to supplying the highest quality products and services available.

Acrolab has provided solutions for every industry from automotive, food processing, and mold-making, to electronics, aerospace and Oil & Gas, for over fifty years.

Call anyone on the **Acrolab** team for a quote on your heating, sensor, or accessories needs and **experience the value for yourself!**

"Acrolab always handles my requests in an efficient and professional manner. Acrolab's sales staff are friendly, informed and take time to address all of my needs and concerns." - Ford Engine Plant, Windsor, ON

"Acrolab's products always meet my expectations for quality, function, and value." - Lear Corporation, Windsor, ON

"Acrolab does a great job! I get excellent value & customer service—they also stream lined the process to make ordering fool proof and easy!" - Ventra Plastics Group, Chatham, ON

"Acrolab's thermocouple designs have given us our best uptime record in 25 years. The sales and service supplied by Acrolab's staff was fantastic!"
