

# Isobar

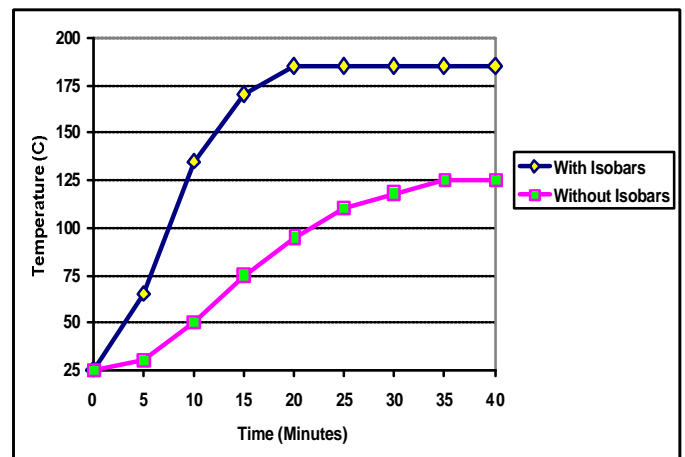

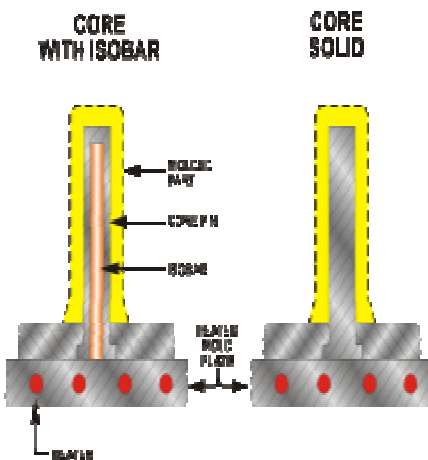

## CORE TECHNOLOGY

Acrolab offers innovative Isobar core technology. With Isobar infiltrated cores you can heat or cool parts in almost half the time as solid steel core pins. With Acrolab Isobar core technology cores are heated or cooled more quickly and more uniformly.

Above Figure Shows Temperature Uniformity Of An Acrolab Isobar Core pin Vs a Standard Solid Core pin.

Heating of Core Pins to Steady State  
Isobar VS. Solid Core Pin
