

Stoner 93234 CUT non-chlorinated cleaner is a powerful, fast acting, non-CFC, precision cleaner that removes grease, oils, waxes, inks, tars and silicone oils from tools, equipment, molds, metal parts, and more. CUT dissolves and flushes away most release agents from molds. They contain powerful cleaning agents to remove carbon deposits, gum, dirt, wax, silicones, adhesives and more.

Always test before using on plastics or solvent sensitive materials. Cleans and prepares molds prior to application of rust preventives.

Stoner 93234 CUT Mold Cleaner Features & Benefits

- CUT is an alternative to chlorinated solvents for precision cleaning.
- It does not contain chlorinated solvents such as 1,1,1 trichloroethane, trichloroethylene, or methylene chloride.
- It does not contain Class I (CFC) or Class II (HCFC) ozone depleting substances.
- It does Contain powerful cleaning agents to remove grease, oil, carbon deposits, tar, gum, dirt, wax, ink, silicones, adhesives and more.
- It is quick evaporating. Dries fast and leaves no residue.
- It won't harm metals and other solvent resistant materials. Always test before using. Removes finger marks and displaces moisture.
- CUT has many useful applications in the molding, and general fabrication industries. Industrial uses include cleaning molds, tools, machinery, metals, equipment, and more.

Specifications

Feature	Details
Can Net Weight	12 oz
Qty Per Case	12 Cans
Flammable	Yes
Food Grade	No
Product Type	Aerosol
Appearance	Clear Colourless
Solvent	Yes
Compliance	III* Hazardous Material
